

# Proverbs 14:12

Authorized King James Version (KJV)

There is a way which seemeth right unto a man, but the end thereof are the ways of death.

## Analysis

---

This sobering proverb warns that subjective feelings ('seemeth right') are unreliable guides for life's most important decisions, as the end is death—not merely physical death but spiritual ruin. The repetition of this exact verse in Proverbs 16:25 emphasizes its critical importance. It directly contradicts the modern maxim 'follow your heart,' insisting instead on objective truth and divine wisdom as life's foundation.

## Historical Context

---

Israel constantly faced temptation to adopt surrounding nations' religious practices that 'seemed right'—fertility cults promised prosperity, military alliances promised security. The prophets repeatedly warned that these seemingly wise paths led to death and exile.
