

# Proverbs 15:20

Authorized King James Version (KJV)

A wise son maketh a glad father: but a foolish man despiseth his mother.

## Analysis

---

A wise son maketh a glad father: but a foolish man despiseth his mother. This proverb echoes 10:1, emphasizing parental heartbreak or joy through children's character. Ben chakham yesammach-av (בֶּן חָכָם יְשַׁמְּחֵ-אָב, a wise son gladdens father). Wisdom brings parental joy. Ukhesil adam bozeh immo (וְכָסִיל אָדָם בּוֹזֵה אִמּוֹ, but a foolish man despises his mother). Bazah (בָּזָה, despise, hold in contempt) shows active disrespect. Foolish children bring grief through scorning those who gave them life. The fifth commandment requires honoring parents (Exodus 20:12). Christ modeled this even from the cross (John 19:26-27).

## Historical Context

---

Ancient Near Eastern cultures emphasized filial piety. Children who honored parents brought family honor; those who despised parents brought shame. Deuteronomy 21:18-21 prescribed death for persistently rebellious sons. Proverbs frequently addresses parent-child relationships, urging children toward wisdom that honors parents and glorifies God. Paul commands children to obey and honor parents (Ephesians 6:1-3).

## Study Questions

---

1. How does your life bring joy or grief to your parents (or parental figures)?
2. In what ways might you be despising rather than honoring those God has placed in authority over you?
3. How does wisdom in all areas of life constitute honoring parents by validating their instruction?
