

Proverbs 18:1

Authorized King James Version (KJV)

Through desire a man, having separated himself, seeketh and intermeddleth with all wisdom.

Analysis

Isolating oneself to pursue selfish desires demonstrates pride's antisocial tendency. The one who separates rages against sound wisdom, rejecting the counsel and accountability of community. This warns against individualism that spurns the body of Christ's mutual edification.

Historical Context

Ancient society was corporate and interdependent—voluntary isolation was rare and viewed suspiciously. God designed humans for community, making hermit-like separation contrary to creation order.
