

# Proverbs 19:20

Authorized King James Version (KJV)

Hear counsel, and receive instruction, that thou mayest be wise in thy latter end.

## Analysis

---

Hearing counsel and receiving instruction positions one for future wisdom. Youth should heed advice to gain understanding for later years. The eschatological perspective ('latter end') shows wisdom's long-term benefits—choices today shape who we become tomorrow.

## Historical Context

---

Ancient education prepared youth for adult responsibilities through submission to teachers' instruction. The long-term perspective was essential in societies where aging meant increased wisdom and authority.
