

# Proverbs 23:22

Authorized King James Version (KJV)

Hearken unto thy father that begat thee, and despise not thy mother when she is old.

## Analysis

---

Honoring parents extends to caring for them in old age, not despising their weakness or diminished capacity. This application of the fifth commandment shows covenant faithfulness across the lifespan. Despising aging parents violates their God-given dignity and one's foundational obligations.

## Historical Context

---

Ancient Near Eastern cultures varied in their treatment of elderly parents. Israel's law mandated honor and provision, reflecting God's concern for the vulnerable and dependent.
