

# Proverbs 27:24

Authorized King James Version (KJV)

For riches are not for ever: and doth the crown endure to every generation?

## Analysis

**For riches are not for ever** (כִּי לֹא לְעוֹלָם חֵסֶן, ki lo le'olam chosen)—חֵסֶן (chosen, 'wealth, riches, treasure') lacks permanence; לְעוֹלָם (le'olam, 'forever, perpetually') is negated. What seems solid proves transient. James 5:2-3 warns the wealthy: 'Your riches are corrupted... your gold and silver is cankered.'

**And doth the crown endure to every generation?** (וְאִם־נֶזֶר לְדוֹר וָדוֹר, ve'im-nezer ledor vador)—the rhetorical question expects a negative answer. Even the נֶזֶר (nezer, 'crown, diadem')—symbol of ultimate earthly power—passes from דוֹר (dor, 'generation') to generation. Solomon, possessing unparalleled wealth and power, understood their impermanence. Only God's kingdom endures forever (Daniel 4:34); storing treasure in heaven proves the wise investment (Matthew 6:19-20).

## Historical Context

Solomon wrote from experience—his vast wealth (1 Kings 10:14-29) and the succession of Israelite dynasties demonstrated that neither riches nor royal power guaranteed permanence. Within a generation of Solomon's death, the kingdom split; later, both Israel and Judah fell. The proverb's wisdom proved prophetically accurate.
