

Proverbs 3:23

Authorized King James Version (KJV)

Then shalt thou walk in thy way safely, and thy foot shall not stumble.

Analysis

The promise of safe walking without stumbling assumes wisdom guides our path. The Hebrew 'betach' (safely/securely) and 'nagaph' (stumble) use pedestrian imagery for life navigation. Wisdom provides sure-footedness on life's hazardous paths. This isn't promise of trouble-free existence but confident traversing of difficulties without catastrophic failure. The stumbling-free path comes from following divine wisdom rather than human cleverness.

Historical Context

Ancient travel involved genuine physical danger - rocky terrain, wild animals, bandits. The metaphor would resonate powerfully with original audience. Spiritually, Israel's journey from Egypt to Canaan demonstrated that following God's guidance provides safe passage through dangerous territory.
