

Proverbs 8:14

Authorized King James Version (KJV)

Counsel is mine, and sound wisdom: I am understanding; I have strength.

Analysis

Counsel is mine, and sound wisdom; I am understanding; I have strength. Wisdom claims to possess counsel (etsah - advice, purpose), sound wisdom (tushiyah - enduring wisdom), understanding (binah - discernment), and strength (gevurah - might, power). This fourfold claim encompasses both intellectual and practical dimensions - wisdom provides both right understanding and power to execute right action. This refutes the false dichotomy between knowledge and power.

Historical Context

Wisdom's self-description continues, claiming comprehensive resources for human flourishing. Ancient Near Eastern wisdom literature recognized that knowing the right way is insufficient without strength to walk it.
