

# Proverbs 8:23

Authorized King James Version (KJV)

I was set up from everlasting, from the beginning, or ever the earth was.

## Analysis

---

Wisdom was set up from everlasting, from the beginning, before earth existed. The Hebrew 'nasak' (set up/established/appointed) and 'olam' (everlasting/eternity) emphasize wisdom's preexistence. Before temporal creation, wisdom existed eternally. This verse moves from v.22's 'beginning of His way' to 'from everlasting' - pushing back beyond creation to eternity. Wisdom is eternal, not contingent; absolute, not relative.

## Historical Context

---

Platonic philosophy sought eternal forms behind temporal particulars. Biblical wisdom provides this but personally - not abstract forms but God's eternal wisdom expressed in creation and incarnate in Christ. Hebrews 1:2-3 describes Christ as heir of all things, 'by whom also he made the worlds...upholding all things by the word of his power.' Eternal Wisdom sustains all reality.
