

Psalms 119:71

Authorized King James Version (KJV)

It is good for me that I have been afflicted; that I might learn thy statutes.

Analysis

"It is good for me that I have been afflicted; that I might learn thy statutes." The frank statement *tov li ki uniteti* (good for me that I was afflicted) contradicts natural thinking that suffering is pure evil. *Tov* (good) indicates benefit, value, welfare—affliction produced spiritual profit. The purpose clause *lema'an elmad chuqekha* (in order that I might learn your statutes) reveals suffering's educational function. *Lamad* (learn) means more than intellectual acquisition—it implies experiential learning, internalization through practice. *Chukei* (statutes) refers to God's engraved, prescribed decrees. Affliction taught what prosperity couldn't: God's statutes are supremely valuable, trustworthy, sufficient. James 1:2-4 similarly instructs to "count it all joy when ye fall into divers temptations; knowing this, that the trying of your faith worketh patience."

Historical Context

Throughout redemptive history, God's choicest servants learned through suffering: Joseph through slavery and prison, Moses through wilderness exile, David through persecution by Saul, prophets through rejection and suffering, apostles through beatings and imprisonment. Jesus Himself "learned obedience by the things which he suffered" (Hebrews 5:8)—not that He was disobedient, but He experientially learned obedience's cost. The early church understood suffering as normal Christian experience, producing perseverance and proven character (Romans 5:3-5).
