

Psalms 119:79

Authorized King James Version (KJV)

Let those that fear thee turn unto me, and those that have known thy testimonies.

Analysis

Let those that fear thee turn unto me (יָשׁוּבוּ לִי יְרֵאָיִךְ)—yashuvu (turn/return) could mean 'turn to me for fellowship' or 'return to me after distancing.' The yir'ekha (those who fear thee) are the covenant community. **And those that have known thy testimonies** (וְיָדְעֵי עֲדוּתֶיךָ) defines them further: those who yod'ei (know) God's edot (testimonies/covenant stipulations) through relationship, not mere information.

The psalmist desires community with the faithful—those whose orthodoxy (right doctrine) produces orthopraxy (right living). This anticipates Jesus's prayer for unity among believers (John 17:21) and the apostolic emphasis on fellowship with like-minded saints (1 John 1:3).

Historical Context

In times of persecution, the godly remnant needed mutual encouragement. The 'God-fearers' formed the core of faithful Israel, maintaining Torah obedience when the majority compromised. Post-exilic Judaism emphasized community identity around Scripture knowledge—a pattern continued in synagogue culture.
