

# Psalms 121:4

Authorized King James Version (KJV)

Behold, he that keepeth Israel shall neither slumber nor sleep.

## Analysis

---

Hineh lo yanum v'lo yishan shomer Yisrael (Behold, He neither slumbers nor sleeps, the keeper of Israel). Hineh (behold) draws attention. Lo yanum (He does not slumber); lo yishan (He does not sleep) - two verbs for sleep emphasize totality. Shomer Yisrael (keeper/guardian of Israel) identifies God's covenant role. The verse intensifies verse 3's truth: not only will God not let your foot slip (v.3), but He absolutely never slumbers or sleeps. This is characteristic divine activity toward His people—perpetual watchfulness, ceaseless care, uninterrupted protection.

## Historical Context

---

Israel's history demonstrated God's watchful care: pillar of cloud/fire in wilderness (never left position—Exodus 13:21-22, Nehemiah 9:19), protection from surrounding enemies despite being outnumbered, survival through exile despite being militarily conquered, preservation through centuries of dispersion. Even when Israel sinned and faced discipline, God never completely abandoned them (Leviticus 26:44, Jeremiah 30:11, Romans 11:1-2). The sleepless keeper ensured a remnant always survived to fulfill covenant promises.
