

# Psalms 124:3

Authorized King James Version (KJV)

Then they had swallowed us up quick, when their wrath was kindled against us:

## Analysis

---

The imagined catastrophe is described: 'Then they had swallowed us up quick, when their wrath was kindled against us.' The word 'then' draws the inevitable conclusion - without God, destruction would have followed. The imagery 'swallowed us up quick' (alive) suggests sudden, complete consumption, like a monster devouring prey whole. The Hebrew 'chay' (quick/alive) emphasizes they would have been consumed while still living - not merely defeated but obliterated. The phrase 'when their wrath was kindled' pictures rage as fire, burning hot against Israel. Enemies weren't merely strategic opponents but consumed with fury. This verse escalates the threat from attack (v. 2) to annihilation - total, immediate destruction. The vivid imagery makes divine deliverance more remarkable by emphasizing how close Israel came to complete destruction.

## Historical Context

---

Israel faced several near-annihilation moments: Egyptian slavery, Amalekite attacks (Exodus 17), Assyrian invasion, Babylonian conquest, Persian Haman's plot (Esther), and others. The imagery of being 'swallowed alive' recalls Korah's judgment (Numbers 16:30-33) and anticipates Jonah's experience. The language reflects ancient Near Eastern combat where victors often attempted complete extermination of enemies.

## Related Passages

---

**1 Corinthians 13:4** — Characteristics of love

**John 15:13** — Greatest form of love

## Study Questions

---

1. What does the imagery of being 'swallowed alive' communicate about the nature of the threat?
2. How does recognizing enemy 'wrath' help us understand that opposition is often personal, not merely political?
3. In what ways do believers today face threats of being 'swallowed up' by hostile forces?
4. How does vividly imagining what would have happened without God deepen gratitude for deliverance?
5. What New Testament passages describe spiritual threats in similar terms of consumption or destruction?
