

# Psalms 139:13

Authorized King James Version (KJV)

For thou hast possessed my reins: thou hast covered me in my mother's womb.

## Analysis

---

**For thou hast possessed my reins: thou hast covered me in my mother's womb.** The Hebrew קָנָה (qanah, 'possessed') means to create, acquire, or form—God's sovereign ownership begins at conception. **Reins** (כִּלְיָה, kilyah) refers to the kidneys, anciently considered the seat of emotion and moral character; God forms not just the body but the inner person. **Covered** (סָכָה, sakak) means to weave, knit together, or screen—depicting God's meticulous, protective craftsmanship in the womb.

This verse grounds the sanctity of human life in divine creative action before birth. God is not a distant observer but an intimate artisan, personally fashioning each person's physical and moral constitution. The pronoun *my* emphasizes David's personal wonder: the Creator of the cosmos cares about the details of one human embryo.

## Historical Context

---

David wrote this psalm (likely mid-10th century BC) reflecting on God's omniscience and omnipresence. Ancient Near Eastern cultures recognized prenatal life but lacked Israel's doctrine of personal divine creation. The Mosaic law protected the unborn (Exodus 21:22-25), and the prophets affirmed God's prenatal calling (Jeremiah 1:5).
