

# Psalm 37:17

Authorized King James Version (KJV)

For the arms of the wicked shall be broken: but the LORD upholdeth the righteous.

## Analysis

---

Arms symbolize strength and accomplishment—the wicked's arms breaking depicts total incapacitation, unable to execute their schemes. The passive 'shall be broken' indicates divine action against them. Conversely, the LORD 'upholdeth' (Hebrew 'samak,' supports, sustains) the righteous—active, ongoing divine support. The contrast is comprehensive: the wicked lose all capacity while the righteous receive constant enablement. This promise sustains believers through weakness, knowing that God's strength, not theirs, produces faithfulness.

## Historical Context

---

Arms represented ability to work, fight, and achieve. Broken arms meant utter helplessness, total dependence on others. David contrasts this with the righteous who, though weak, are upheld by omnipotence.
