

Psalm 41:3

Authorized King James Version (KJV)

The LORD will strengthen him upon the bed of languishing:
thou wilt make all his bed in his sickness.

Analysis

The promise that God will 'strengthen him upon the bed of languishing' addresses the reality that even the compassionate suffer illness. The phrase 'make all his bed in his sickness' suggests God's intimate, tender care--like a nurse adjusting bedding for comfort. Divine care extends to the most vulnerable moments of physical weakness.

Historical Context

Ancient Near Eastern culture often interpreted illness as divine punishment. This psalm subverts that theology by showing God's care for the sick righteous person, anticipating Jesus' healing ministry to the outcasts.
