

Psalms 44:4

Authorized King James Version (KJV)

Thou art my King, O God: command deliverances for Jacob.

Analysis

The declaration 'Thou art my King, O God' establishes covenant relationship between the nation and its divine sovereign. The petition 'command deliverances for Jacob' appeals to God's authority to simply order salvation into existence. 'Jacob' here is a synonym for Israel, recalling the patriarch who received the covenant promises.

Historical Context

Israel's unique kingship theology held that Yahweh was the true king, with human kings serving as His vice-regents. This understanding shaped Israel's political theology and later messianic expectations.
