

Psalms 62:7

Authorized King James Version (KJV)

In God is my salvation and my glory: the rock of my strength,
and my refuge, is in God.

Analysis

The refrain 'In God is my salvation and my glory' grounds identity in divine action, not accomplishment. 'Rock of my strength' repeats the foundation metaphor while 'refuge' adds the dimension of shelter. This dual imagery—foundation and covering—depicts God's comprehensive protection. Taking refuge in God is both theological conviction and practical response to threat.

Historical Context

David's repeated returns to this affirmation (vv. 2, 6-7) demonstrates that faith requires constant renewal. Circumstances fluctuate but God's character remains the constant refrain believers must rehearse.
