

# Psalm 63:7

Authorized King James Version (KJV)

Because thou hast been my help, therefore in the shadow of thy wings will I rejoice.

## Analysis

---

The image of God's wings as refuge recalls the cherubim's wings over the mercy seat, connecting divine protection to covenant atonement. 'Because thou hast been my help' grounds future confidence in past faithfulness. Rejoicing 'in the shadow of thy wings' depicts secure joy under divine covering, anticipating Christ's lament over Jerusalem refusing this shelter (Matthew 23:37).

## Historical Context

---

The wings imagery connects to the ark of the covenant's cherubim (Exodus 25:20) and possibly eagles sheltering their young (Deuteronomy 32:11). Both images convey protective covering and covenant relationship.
