

Psalm 65:6

Authorized King James Version (KJV)

Which by his strength setteth fast the mountains; being girded with power:

Analysis

God establishing mountains 'by his strength' demonstrates creative power. Being 'girded with power' depicts God ready for action. Mountains, ancient symbols of permanence, owe their stability to God's word. This anticipates Christ's authority over nature, demonstrated when He rebuked winds and waves (Mark 4:39), showing that nature's Creator sustains His people.

Historical Context

Mountains in ancient Near Eastern thought represented permanence and divine dwelling places. That YHWH 'setteth fast' the mountains establishes His supremacy over creation and pagan nature gods.
