

Psalm 66:6

Authorized King James Version (KJV)

He turned the sea into dry land: they went through the flood on foot: there did we rejoice in him.

Analysis

The turning of the sea into dry land recalls the Red Sea crossing (Exodus 14), while passing through the flood references the Jordan crossing (Joshua 3). These historical acts demonstrate God's sovereign control over nature and His faithfulness to His covenant promises. The call to 'rejoice in him' grounds joy not in circumstances but in God's unchanging character and mighty acts on behalf of His people.

Historical Context

This verse anchors praise in Israel's foundational redemptive events—the Exodus and conquest of Canaan. These miracles established Israel as God's covenant nation and demonstrated His power over creation and pagan deities.
