

# Psalm 68:14

Authorized King James Version (KJV)

When the Almighty scattered kings in it, it was white as snow in Salmon.

## Analysis

The Almighty scattering kings 'in it' (the land) was 'white as snow in Salmon'—a mountain in Israel. The image suggests complete victory, like snow covering a dark mountain, making it white and pure. God's triumph over earthly powers is so thorough that the very landscape reflects His purity and holiness. This points to Christ's ultimate victory that will renew all creation (Revelation 21:5).

## Historical Context

Mount Salmon's exact location is uncertain, but the image of snow—rare in Israel—emphasizes the extraordinary nature of God's victory. His triumph transforms the battlefield into something beautiful and pure.
