

Psalms 72:13

Authorized King James Version (KJV)

He shall spare the poor and needy, and shall save the souls of the needy.

Analysis

The king 'shall spare the poor and needy' and 'save the souls of the needy,' showing both compassion and power. 'Spare' means treat with mercy; 'save' means deliver from danger. This goes beyond charity to actual rescue and transformation. Christ saves not just bodies but souls—providing eternal salvation, not mere temporal relief. Yet spiritual salvation often includes tangible care for physical needs, as Jesus's ministry demonstrated (healing, feeding, etc.).

Historical Context

Saving 'souls' uses Hebrew 'nephesh,' meaning life or person—the whole being, not just spiritual aspect. Biblical salvation is holistic, addressing spiritual, physical, emotional, and social needs.
