

# Psalm 73:16

Authorized King James Version (KJV)

When I thought to know this, it was too painful for me;

## Analysis

---

The attempt to understand through reason—"When I thought to know this"—failed: 'it was too painful for me.' Human intellect alone cannot resolve theodicy's mysteries. The problem of evil and prosperity's distribution exceed rational explanation without divine revelation. This intellectual humility recognizes that finite minds cannot comprehend infinite wisdom (Isaiah 55:8-9). Resolution requires not just thinking but spiritual understanding in God's presence (verse 17).

## Historical Context

---

Job's counselors tried to explain his suffering rationally and failed. Only God's self-revelation from the whirlwind (Job 38-41) resolved Job's crisis—not through logical explanation but through encounter with divine mystery and sovereignty.

## Related Passages

---

**Revelation 20:12** — Judgment according to deeds

**Romans 2:1** — Judging others

**Genesis 1:1** — Creation of heavens and earth

**Psalm 19:1** — Heavens declare God's glory

## Study Questions

---

1. What theological questions have you found 'too painful' to resolve through reason alone?
2. How do you balance using your mind to understand God while recognizing His ways surpass human comprehension?
3. What role does humble submission to mystery play in mature faith?

## Interlinear Text

---

בְּעִינֵּי הַ יָּא עַמְּלָה לְדַעַת תִּ אַת עַת עַמְּלָה לְאַחֲשֶׁבָה  
When I thought to know this it was too painful for me
