

# Psalms 88:12

Authorized King James Version (KJV)

Shall thy wonders be known in the dark? and thy  
righteousness in the land of forgetfulness?

## Analysis

---

**Shall thy wonders be known in the dark?** (הַיִּוָּדָע בְּחֹשֶׁךְ פְּלִאָה, hayivada vachoshekh pilekha)—Darkness here is both literal (the darkness of Sheol) and metaphorical (spiritual darkness, ignorance, despair). Can God's miraculous works be known in such darkness? **And thy righteousness in the land of forgetfulness?** (וְצִדְקָתְךָ בְּאֶרֶץ נִשְׁיָה, vetzidkarekha be-eretz neshiyah)—The "land of forgetfulness" is Sheol, where the dead forget and are forgotten. Can God's righteousness be recognized there?

These rhetorical questions assume the answer "No"—driving home the urgency of the psalmist's plea for deliverance now. Yet providentially, these questions point forward to Christ, the light who shone in the darkness (John 1:5), whose righteousness was declared even in death (Romans 4:25), and who ensures believers are never forgotten by God. Paul declares that nothing—not even death—can separate us from God's love (Romans 8:38-39), directly answering Heman's dark questions.

## Historical Context

---

The "land of forgetfulness" captures the ancient conception of Sheol as a place where memory fades—both God's memory of the dead and the dead's memory of God. This made the Jewish emphasis on remembrance (memorial stones, feast days, genealogies) all the more critical. Only in this life could one remember and be remembered by God—or so it seemed until Christ's resurrection.
