

Psalms 94:8

Authorized King James Version (KJV)

Understand, ye brutish among the people: and ye fools, when will ye be wise?

Analysis

The address to 'brutish' (bo'arim—stupid, senseless like cattle) and 'fools' (kesilim—obstinate fools) among the people uses strong language to confront willful ignorance. The question 'when will ye be wise' (taskilu) implies that wisdom is both urgent and attainable—the issue isn't capacity but willingness. This verse distinguishes between intellectual limitations and moral obtuseness. The fool's problem isn't low IQ but stubborn rejection of truth. Proverbs repeatedly contrasts the wise who embrace correction with fools who persist in folly.

Historical Context

Israel's wisdom tradition (Proverbs, Ecclesiastes) made clear distinctions between those who sought wisdom and 'fools' who rejected instruction and divine truth.

Related Passages

Romans 1:17 — The righteous shall live by faith

James 2:17 — Faith and works

Study Questions

1. What 'brutish' thinking patterns do you need to repent of and replace with godly wisdom?

2. How can you move from folly to wisdom by embracing God's correction in your life?
