

# Psalms 95:4

Authorized King James Version (KJV)

In his hand are the deep places of the earth: the strength of the hills is his also.

## Analysis

**In his hand are the deep places of the earth: the strength of the hills is his also.** This verse proclaims God's sovereign ownership over creation's extremes—from the deepest chasms to the highest peaks. "In his hand" (beyado, בְּיָדוֹ) signifies possession, control, and power. The "hand" of God is a biblical metaphor for His active power and governance (Exodus 15:6; Psalm 89:13; Isaiah 50:2).

"The deep places of the earth" translates mehqerei-erets (מְחַקְרֵי-אֶרֶץ), literally "the searched-out places" or depths—possibly referring to ocean depths, subterranean caverns, or mines where humans extract precious resources. Ancient peoples stood in awe of depths beyond their reach; yet these unreachable places lie fully in God's grasp. "The strength of the hills" (to'aphot harim, תּוֹעֲפּוֹת הָרִים) uses to'aphah, meaning summits, heights, or strength—the mighty, majestic peaks that symbolize permanence and power.

The verse establishes a theological principle: if God holds creation's extremes (depths and heights), He certainly governs everything in between—including human affairs. This grounds the psalm's call to worship (v. 6) and warning against hardening hearts (vv. 8-11). We worship the Creator who holds all things in His hand, making rebellion against Him futile and trust in Him reasonable.

## Historical Context

---

Psalm 95 is a liturgical call to worship, likely used as Israel approached God in temple worship. Ancient Near Eastern cosmology understood the world as having three tiers: heavens above, earth in the middle, and the underworld/depths below. By declaring God's sovereignty over earth's depths and heights, the psalm asserts His complete dominion over creation. Hebrews 3:7-11 and 4:7 quote Psalm 95:7-11, applying its warning to New Testament believers: do not harden your hearts against God's voice.

## Study Questions

---

1. How does recognizing that God holds creation's extremes 'in his hand' affect your trust in His governance of your circumstances?
2. What modern 'depths' and 'heights' (scientific discoveries, technological achievements) tempt people to forget God's sovereignty?
3. How should God's control over creation's extremes shape your worship and obedience?
