

# Psalms 97:2

Authorized King James Version (KJV)

Clouds and darkness are round about him: righteousness and judgment are the habitation of his throne.

## Analysis

---

The imagery of clouds and darkness surrounding God echoes Exodus 19-20 (Sinai theophany) and emphasizes divine mystery and transcendence. Yet this obscurity doesn't indicate capriciousness—rather, 'righteousness and judgment' (tsedeq u-mishpat) are His throne's foundation. This paradox teaches that while God's ways may be beyond our comprehension, His character is absolutely trustworthy. Reformed theology emphasizes both God's incomprehensibility (we cannot fully know Him) and His revelation (He has made Himself known truly, if not exhaustively).

## Historical Context

---

The Sinai theophany where God descended in cloud and darkness provided Israel with a foundational experience of God's majestic otherness combined with His covenant faithfulness.
