

Revelation 17:8

Authorized King James Version (KJV)

The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

Analysis

The beast 'was, and is not, and yet is' parodies God's eternal existence ('which is, and which was, and which is to come,' 1:4). This satanic counterfeit astonishes earth-dwellers whose names aren't in the book of life. The beast's emergence from the bottomless pit identifies it as demonic. The going into perdition reveals its certain doom despite temporary power. Reformed theology emphasizes that only those whose names God wrote in the book of life from the foundation of the world will resist deception. Election precedes and secures believers' perseverance. The non-elect naturally marvel at Satan's power, lacking spiritual discernment to see through the counterfeit.

Historical Context

The description may allude to Nero redivivus myth—expectation that Nero would return from death. The beast represents successive kingdoms/emperors embodying satanic opposition to God. First-century Christians needed to recognize that impressive political power, though seemingly resurrected or invincible, was ultimately doomed. The book of life assured them their election secured their endurance.
