

Ruth 2:6

Authorized King James Version (KJV)

And the servant that was set over the reapers answered and said, It is the Moabitish damsel that came back with Naomi out of the country of Moab:

Analysis

The servant identifies Ruth as '**the Moabitish damsel that came back with Naomi out of Moab**', emphasizing her foreign origin three times. The phrase '**came back**' technically applies only to Naomi, yet he uses it for Ruth, suggesting the community recognized her as having 'returned' to Israel. This verbal acknowledgment grants Ruth belonging despite foreign birth. The servant's detailed knowledge shows news of her loyalty had spread. Her reputation preceded her—the community knew of her commitment. This demonstrates that authentic faithfulness becomes visible and earns recognition.

Historical Context

Ancient Israelite communities were close-knit, with everyone's business quickly becoming known. Ruth's arrival and renunciation of Moab would have been widely discussed. Small villages like Bethlehem functioned as extended families where newcomers were scrutinized. Ancient Near Eastern cultures typically viewed foreigners with suspicion, yet Ruth's demonstrated loyalty apparently earned respect. The servant's explanation to Boaz provides context for decision-making, showing God's providence working through human reputation and observable character.
