

# I Am the Light of the World

The Seven I AM Statements in John · I Am Statements

During the Feast of Tabernacles, when giant candelabras illuminated the temple courts, Jesus proclaimed Himself the true light. Light reveals, guides, and gives life; darkness conceals, confuses, and represents death. Jesus illuminates truth, exposes sin, guides the path of life, and overcomes the darkness of ignorance and evil. Those who follow Him escape the darkness of spiritual blindness and walk in the light of life.
