JESUS AND HIS friends got in a boat to cross a big lake. Jesus was SO tired from helping people all day. He found a pillow and fell fast asleep.

Then something scary happened. A BIG storm came! The wind blew WHOOOOSH! The waves splashed CRASH! Water got in the boat!

The friends were so scared! Some of them were fishermen who knew all about boats, and even THEY were afraid. The boat was rocking and filling with water!

But Jesus was still sleeping! How could He sleep through this?

'Jesus! Wake up!' they shouted. 'We're going to sink! Don't you care?'

Jesus woke up. He wasn't scared at all. He stood up in the rocky boat and looked at the storm.

'PEACE! BE STILL!' Jesus said to the wind and waves.

And just like that... the wind stopped. The waves calmed down. Everything was perfectly quiet and peaceful. Just like that!

Jesus looked at His friends. 'Why were you so scared? Don't you trust me?'

The friends looked at each other with big eyes. 'Whoa,' they whispered. 'Who IS this? Even the wind and waves do what He says!'

Jesus is so powerful that even storms obey Him! When we're scared, we can trust Jesus to take care of us.
