THEN JOHN SAW the most AMAZING thing! Heaven opened up like a giant door, and there was Jesus riding on a beautiful white horse!

Jesus looked so strong and powerful! His eyes were like fire—He could see everything. He wore many crowns on His head because He's the King of EVERYTHING! His robe was red, and He had a special name written on it: 'King of Kings and Lord of Lords!'

Behind Jesus came a huge army from heaven, all riding white horses too! They wore clean, white clothes. Jesus was leading them to win the big final battle.

Down on earth, the bad beast and all the kings who followed him got their armies together. They actually thought they could fight against Jesus! How silly! Nobody can beat Jesus!

The beast and the false prophet who did magic tricks were captured right away. They were thrown into a lake of fire—a place of punishment forever.

Jesus won the battle SO easily! He is way more powerful than any bad guy. He didn't even have to try hard. Jesus is the KING over everything and everyone!

All the angels in heaven were so happy! They knew Jesus would win. They had been waiting for this moment!

One day, this will really happen. Jesus will come back riding on a cloud, and everyone will see Him! All the people who love Jesus will be so happy. Jesus will defeat all the bad things forever.

Are you ready for Jesus to come back? If you love Him and follow Him, you'll be part of His victory celebration!
