A LONG TIME ago, there was a man named Abraham. He lived in a city with his wife Sarah.

One day, God spoke to Abraham. 'Abraham, I want you to move! Leave your home and go to a new land. I will show you where.'

Abraham thought about it. He didn't know where this new land was. It was far away from his family and friends. It might be scary!

But God made Abraham some big promises. 'I will make your family into a great nation. I will bless you. Through your family, everyone in the whole world will be blessed!'

Abraham trusted God. Even though he didn't know where he was going, he packed up everything and went! His wife Sarah went too.

They traveled and traveled until they came to a beautiful land called Canaan. God said, 'This is the land I'm giving to your family!'

Abraham was so thankful! He built a special pile of stones called an altar to worship God.

Abraham didn't have any children yet. How could his family become a great nation? But Abraham believed God would keep His promise. And God always keeps His promises!
